PALMETTO ACHIEVEMENT CHALLENGE TESTS (PACT) RESULTS

Our School Middle Schools with Students like Ours

Definition of Critical Terms

Advanced

Very high score; very well prepared to work at next grade level; exceeded expectations

Proficient

Well prepared to work at next grade level; met expectations

Met standards; minimally prepared, can go to next grade level

Below Basic

Did not meet standards; must have an academic assistance plan;

the local board policy determines progress to the next grade level

NOTE: Science and social studies are to be included in the 2005 school report card.

EVALUATIONS BY TEACHERS, STUDENTS, AND PARENTS

	Teachers	Students	Parents
Number of surveys returned	90	460	207

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Students, parents, faculty, and staff at Summit Parkway Middle School and at the Center for Inquiry, a K-5 magnet program, are proud to work together to create an exemplary learning community. As a part of the network of Professional Development Schools, we continue to collaborate with The University of South Carolina by mentoring undergraduate and graduate teaching interns and through publishing, writing grants, and conducting research with USC faculty. This past year, the SC Department of Education recognized both Summit Parkway and CFI. Summit received the Exemplary Writing Award and CFI was recognized with the Palmetto Gold Award. Other notable achievements during this year include:

3 additional teachers became National Board Certified for a total of 15.

4 teachers became National Board Candidates.

100% of CFI teachers eligible for National Board became certified.

Dr. Lyn Mueller, Lead Teacher at CFI, was selected by National Board as the National Elementary Principal for Promoting Accomplished Teaching.

Dr. Arlene Marturano of SPMS was selected as an Honor Roll Teacher for Richland Two's District Teacher of the Year.

The SPMS Band was honored to play at the International Music Band and Orchestra Conference in Chicago, Illinois, and for President Bush.

7 students were selected for All State Band; 20 were selected for Region Band.

54 eighth graders were named as Junior Scholars; 63 seventh graders qualified for the Duke TIP program; 8 received TIP Honor Roll; and, 67% of CFI's fourth and fifth graders qualified for the Duke MAP program.

Managing our growth while maintaining our current student/teacher ratios and excellent educational programs continues to be our focus. Four portables were added to increase instructional space along with the addition of a computer lab at SPMS. Important curricular highlights at SPMS include: successful transition from a traditional to a block schedule; the addition of seventh grade to the AVID program; and, extensive updates to the school's Web site making it a valuable resource for parents, students, and the community. Updates include online resources, summer reading information, a school tour, and an online weekly newsletter. Additionally, over 500 copies of software programs for reinforcing reading, math, and language arts skills were sent home with students. CFI's inquiry curriculum continues to be a national model, hosting hundreds of visitors each year. As well, their curriculum, faculty, and staff were featured nationally through publications, presentations, and an ETV professional video series. SPMS and CFI are proud to provide educational excellence for their students.

Mr. Sig Tanner, Principal Dr. Lyn Z. Mueller, Lead Teacher, Center for Inquiry

DEFINITIONS OF SCHOOL RATING TERMS

- Excellent School performance substantially exceeds the standards for progress toward the 2010 SC Performance Goal
- Good School performance exceeds the standards for progress toward the 2010 SC Performance Goal
- Average School performance meets the standards for progress toward the 2010 SC Performance Goal
- Below Average School is in jeopardy of not meeting the standards for progress toward the 2010 SC Performance Goal
- Unsatisfactory School performance fails to meet the standards for progress toward the 2010 SC Performance Goal

DEFINITION OF ADEQUATE YEARLY PROGRESS

As required by the United States Department of Education, adequate yearly progress specified that the statewide target is met for all students and for each subgroup of students: racial/ethnic, economic, disability, limited English proficiency and migrant status.
